Sportsman Challenge Series-"Taxidermy and Trophy Mount Care"

Come and learn the basics of preserving your trophy deer, game bird, waterfowl, or furbearer, both before and after it has been taken to a taxidermist. Meet some local taxidermists, hear the basic regulations for tagging and processing your trophy, and get an over-all understanding of the taxidermy process. Bring in your trophy for suggestions on long-term care and repair.

\$10 per/person instructional workshop, pre-register is required.

Saturday, February 18th 1:00pm-4:00pm

Sportsman Challenge Series- "Wildlife Calling"

Listen to the call of the wild! Come and hear the sounds of the outdoors. Animal calls will be demonstrated from the wild turkey to the pileated woodpecker. Learn how to talk to the animals yourself. Bring in your calls for tuning and proper usage. Calls ranging from homemade to electronic will be covered and demonstrated for either hunting, photography, or just wildlife viewing.

\$10 per/person instructional workshop, pre-register is required.

Saturday, February 25th, 10:00am

Late Winter Hike. Come and hike a few miles in the beautiful O'Bannon Woods and Harrison-Crawford State Properties in the winter on this guided excursion. Bring cold weather appropriate gear. The Wyandotte Adventure Outing (WAO) season kick-off. One outing per month. See www.interpretiveservices.in.gov for full listing.

Saturday, April 8th 1:00pm-4:00pm

Sportsman Challenge Series-"Turkey Hunting 101"

Are you already looking forward to warm weather? Springtime will be around the corner. Turkey hunters and wildlife photographers get geared up with this seminar and instructional workshop on how to get the wild turkey up close and in person!

\$10 per/person instructional workshop, pre-register is required.

Saturday, April 22nd 9:00am-3:00pm
